## BI-BOX / BI-LID

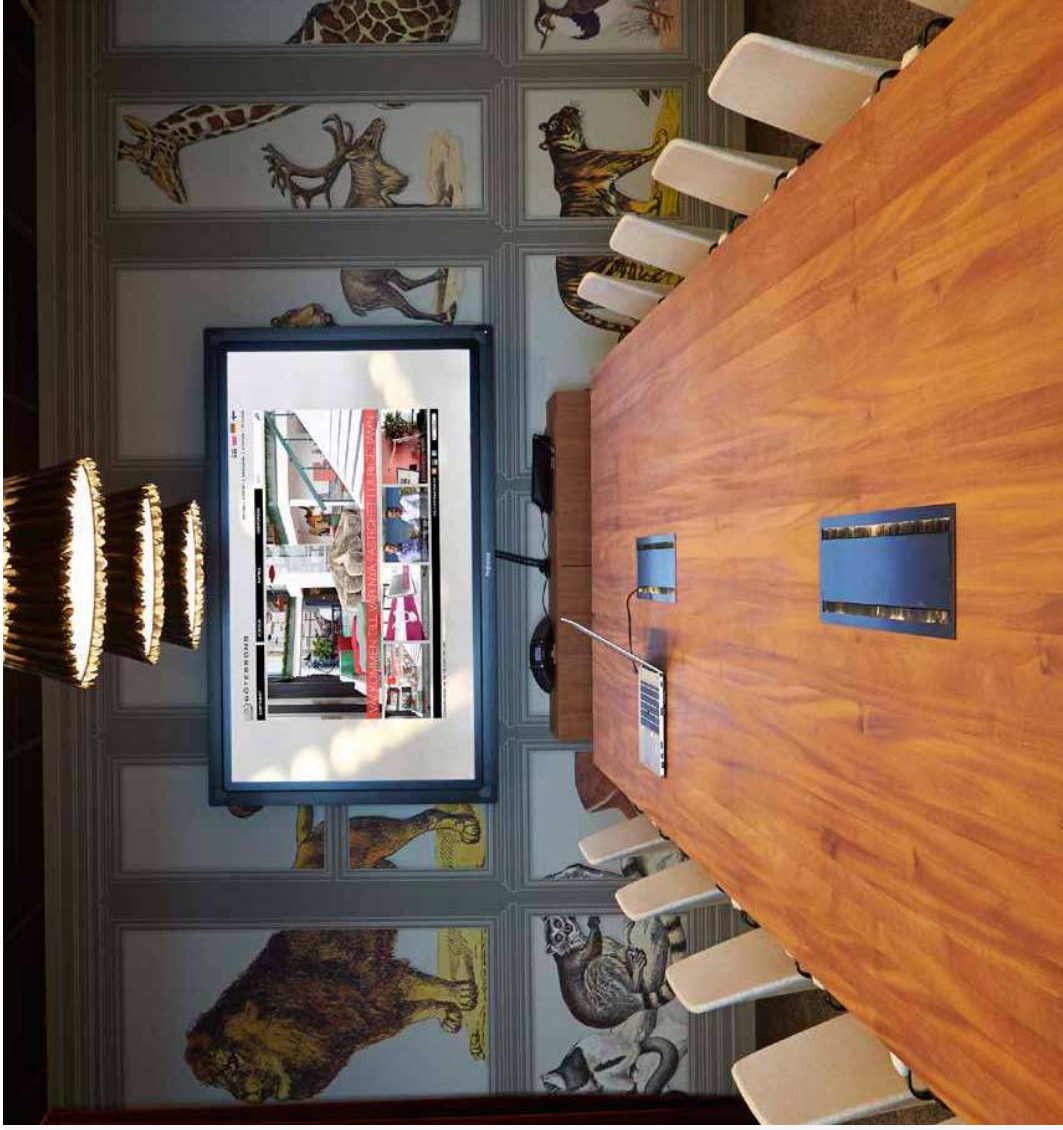

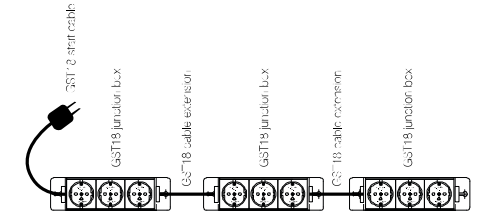

BI-Box is a lateral openable lid and cable box in one. The lid can easily be opened in all directions. Full details for further information: Power Inlet, Series, Video, etc. [www.geste.com](http://www.geste.com). BI-Box is available in two sizes. The table cut hole are the same as Geste's original Power Box single box lid.

BI-Lid is only with an openable lid.

For more information on cable length etc. see [www.geste.com](http://www.geste.com), For Power Inlet, sockets and mounting etc. For Accessories see our website.

## GST18

GST18 junction box with quick release connectors for a simple connection of several USB cables.
