French Classification: M1
German Classification: DIN 53438 Teil 2: Klasse K1 & DIN 4102-1981: B2

Durability

Resists stain penetration for unique, long term protection never before possible. The superior stain resistance and improved wear properties help keep PreFixx[®] protected Spectrum Contract Vinyl looking new far longer than other vinyl upholstery.

Performance

State-of-the-art resistance to staining, abrasion, scuffing, burnishing and blocking demonstrated in repeated laboratory tests.

Protective Finish

Spectrum Colour Palette is coated with Prefixx[®] protective finish designed to be cleaned easily, over and over without showing signs of wear. With Prefixx[®] protection, it is possible to remove stains that could never be removed before. Now, with test-proven stain resistance and cleanability, plus superior abrasion resistance, PreFixx[®] protected Spectrum Contract Vinyl protects you from high maintenance costs and from frequent upholstery costs.

Easy Maintenance

Common stains like dirt and smudges simply wipe off. More difficult stains like ballpoint ink can be cleaned with active solvents such as nail polish remover without damaging the Prefixx[®] finish, when following the recommended cleaning instructions.
