design: Hitch Mylius

The classic Hitch Mylius sofa: a modular seating system comprising chair, two- and three-seat sofas, with or without arms - the simplest of designs, beautifully proportioned and offering great comfort for corporate and residential environments. All permutations are available with the option of low or high arms.

Solid beech frames incorporating sprung seat, upholstered in high-density CMHR foams with a polyester wrap. Legs are of stainless steel; table tops are veneered in walnut.

Seat height 400mm.
