

hm19 Reveal

A modular booth and privacy seating system designed to meet the flexible needs of our working environments. Reveal provides sanctuary for private working as well as space for collaboration.

The seating options are available in five seat widths with high or low back options and can be ordered as chairs and sofas with dual side panels, or configured into booth seating using the booth panels and tables.

Designed in house and made at our north London factory, Reveal offers the quality and meticulous detail that is synonymous with our established brand.

Power, charging and data units can be mounted in the table tops and presentation screens can be mounted on the booth panels.

For more information, [click here](#).

Robin Phillips studied Product Design at Ravensbourne College of Art and Industrial Design at the Royal College of Art. After working for Heals and Conran in furniture retail, he joined Hitch Mylius as General Manager in 2007. He became a Director in 2011 and took over ownership of the company in 2021.

His designs include the hm19 Reveal collection and the hm45 Juno chair and sofa, and he oversees the in-house product range as well as collaborating with external designers.

- can be finished in a wide choice of fabrics and hides
- RAL powder coated or metal plated steel legs or full length panel
- low VOCs; water-based glues only
- **30% recycled content**
- **70% recyclable content**

product contents (based on hm19k)

Hitch Mylius have been making beautiful and contemporary upholstered furniture in north London for over 50 years.

Our key environmental benefits include:

- ✓ Many of our key suppliers are local to us – our sofa frames and metalwork suppliers are 12 miles from our factory.
- ✓ We use water based glues.
- ✓ We use FSC certified timbers.
- ✓ It is our policy when dealing with waste to follow the waste hierarchy; prevent, reduce, reuse, recycle, recover.
- ✓ We are certified to BS EN ISO 14001:2015 and have been since October 2010.
