hm22 Carlo

hm22 Carlo

A light, fresh variation on the classic tub-chair theme, the hm22 Carlo is ideally suited to corporate, leisure and public area seating where its compact proportions and contemporary design will complement and enhance any environment.

Combining a high degree of comfort with the tailoring and fine craftsmanship associated with all Hitch Mylius products, Carlo is available as a side chair and a generously proportioned lounge armchair.

The chairs can be covered in an almost limitless choice of fabrics and hides. Multi-tone upholstery is available - inside and outside panels can be upholstered in different fabrics.

For more information, [click here](#).

product contents (based on hm22c)

Hitch Mylius have been making beautiful and contemporary upholstered furniture in north London for over 50 years.

Our key environmental benefits include:

- ✓ Many of our key suppliers are local to us – our sofa frames and metalwork suppliers are 12 miles from our factory.
- ✓ We use water based glues.
- ✓ We use FSC certified timbers.
- ✓ It is our policy when dealing with waste to follow the waste hierarchy; prevent, reduce, reuse, recycle, recover.
- ✓ We are certified to BS EN ISO 14001:2015 and have been since October 2010.
