hm45 Juno

hm45 Juno

An elegant & compact tub chair and 2-seat sofa with distinctive arm profile, Juno is a timeless and versatile collection. A higher seat & gentle curves make this range extremely comfortable - perfect for receptions and breakout spaces - hospitality interiors and residential spaces.

The collection can be upholstered in a wide choice of fabrics and hides, and multi-tone upholstery is available.

Robin Phillips studied Product Design at Ravensbourne College of Art and Industrial Design at the Royal College of Art. After working for Heals and Conran in furniture retail, he joined Hitch Mylius as General Manager in 2007. He became a Director in 2011 and took over ownership of the company in 2021.

His designs include the hm19 Reveal collection and the hm45 Juno chair and sofa, and he oversees the in-house product range as well as collaborating with external designers.

product contents (based on hm45b)

Hitch Mylius have been making beautiful and contemporary upholstered furniture in north London for over 50 years.

Our key environmental benefits include:

- ✓ Many of our key suppliers are local to us – our sofa frames and metalwork suppliers are 12 miles from our factory.
- ✓ We use water based glues.
- ✓ We use FSC certified timbers.
- ✓ It is our policy when dealing with waste to follow the waste hierarchy; prevent, reduce, reuse, recycle, recover.
- ✓ We are certified to BS EN ISO 14001:2015 and have been since October 2010.
