A versatile chair for commercial and leisure use: the preformed ply shell is upholstered in cmhr foams, with stacking skid or four-legged base finished in polished chrome. Upholstery is available in a wide choice of fabrics and hides.

Born in Germany in 1970, Matthias Demacker studied design at Niederrhein Polytechnic at Krefeld. After graduating, he moved to Munich where he gained experience in a number of design consultancies and interior design studios before setting up his own practice, Demacker Design. He has received a number of international accolades including the Interior Innovation Award and the Red Dot Design Award, and is working on furniture and products for clients across Europe.
